

Sink Diade

Kitchen Sinks

Code: 3028 555

DETAILS

Edge/Installation Type Phantom Base

Material AISI 304 stainless steel

Texture Brushed in line

Finish Foster brushed

Base 90 cm

Width 80 cm

Dimensions 824 x 464 mm

Bowl dimension 760 x 400 mm

Built-in hole [View technical data sheet](#)

Standard fittings Drain, Foster overflow and universal corrugated pipe (for installing different overflows), Boxed packing

Mixer holes No standard holes

Drainer No

Number of bowls 1 bowl

Waste fitting 3,5" drain

Notes: Cad 3D geometries can be provided on request to make grids and sink in the same material as the worktop

FEATURES

Basket 3,5" waste fitting The drain is equipped with a large 3.5" drain, with the practical basket cap that prevents the discharge of solid parts.

Deep bowls This bowls reach an important depth, over 20 cm, thanks to the advanced production technology, that can be offer great capieny and practicity in all the washing operations.

High thickness 1mm thick steel. A significant thickness, which guarantees the maximum sturdiness and durability.

MOULDED BOTTOM The moulded bottom guarantees perfect water flow and facilitates cleaning operations thanks to the perimeter step with sloping walls.

Perimetral overflow The overflow is always a security on the Foster sinks that prevents the overflow of water in case of oversights. The perimeter drain solution improves aesthetics thanks to its square and essential shape.
